FEATURED CONFERENCE SPEAKERS

DAN BASSE

President, AgResource Company

Dan Basse is a professional economist and analyst that has been in the commodity business since 1979. Raised on a dairy and grain farm in Waukesha, Wisconsin, Dan has a keen sense of production agriculture. In 1988, he founded AgResource Company in Chicago. AgResource is a domestic and international Ag Advisory and Research firm which forecasts domestic and world agricultural price trends.

RAY BRADBURY

President, ADM Investor Services

Ray Bradbury joined ADM Investor Services as President in January 2024. In this role, he leads ADM's global futures clearing business. Previously, Ray served as President, renewable fuels solutions, where he led ADM globally in ethanol production and sales. In addition, he was responsible for global commodity risk management with a focus on lower net raw material costs for the entire Carbohydrate Solutions business unit. Ray brought more than 20 years of international commodity and futures trading experience in the Canadian grain industry to ADM when he joined ADM in 2004.

DAVID HIGHTOWER

President, The Hightower Report

David Hightower is a founding principal of The Hightower Report, a commodity research and information corporation, specializing in high quality futures research and analysis for individual investors, brokers, commercial producers and end users. The Hightower Report publishes one of the most widely read daily commodity wires in the world and has become a highly utilized industry consulting service with many brokerage firms. With over 35 years of experience, David is thoroughly versed in the complex interaction of the world markets and global businesses, and his closeness to the markets is evidenced in his direct and opinionated analysis. David has regularly appeared on CNN, Bloomberg Television and ONN.tv and is often cited in the Wall Street Journal, Futures Magazine, Reuters and many other industry publications.

KEYNOTE SPEAKER
MIKE MASSIMINO
Former NASA Astronaut

Mike Massimino, a former NASA astronaut, is a professor of Mechanical Engineering at Columbia University, and the senior advisor for space programs at the Intrepid Sea, Air, and Space Museum. He received his Bachelor of Science degree from Columbia and Master of Science degree in both Mechanical Engineering and Technology and Policy, as well as his Doctor of Philosophy degree in Mechanical Engineering from the Massachusetts Institute of Technology.

After working as an engineer at IBM, NASA Headquarters and McDonnell Douglas Aerospace, along with academic appointments at both Rice University and the Georgia Institute of Technology, Massimino was selected as an astronaut candidate by NASA in 1996. A veteran of two space flights, the fourth and fifth Hubble Space Telescope servicing missions in 2002 and 2009, Massimino has many accomplishments including a team record for the number of hours spacewalking in a single space shuttle mission and the first person to tweet from Space with over 1.3 million twitter followers currently. He has also received a number of awards including two NASA "Space Flight Medals", the NASA "Distinguished Service Medal", and the American Astronautical Society's 2009 "Flight Achievement Award". He is also the holder of two patents and author of several engineering research papers.

FEATURED CONFERENCE SPEAKERS

BRIAN HOWELL

ADM Security

Brian Howell is the Vice President and Global Head of Security at ADM, providing oversight and strategic guidance of the company's enterprise-wide corporate security function. In addition, he oversees the company's Crisis Management and Business Continuity programs and serves on the Global Information and Cyber Security Council.

Brian joined ADM in 1995 and holds nearly two decades of operational and security related experience. Prior to his current role, he managed many of the departments' core service areas and most recently served as the Director of Security for ADM's footprint in Europe, Middle East and Africa. Brian holds a Bachelor's degree in Political Science and Government from the University of Illinois – Springfield and a Master's degree from the University of Basel in Switzerland.

KURT JOHNSON

VP Business Development, ADM Investor Services

Kurt Johnson is Vice President, Business Development for ADM Investor Services and also serves as President of its wholly owned subsidiary, Archer Financial Services. His responsibilities include the oversight of both the ADMIS Sales & Marketing and Research departments. He began his career in the futures industry in 1986 as a broker and a few years later founded the introducing brokerage firm, Sinclair Futures. Kurt currently serves on the IB Advisory Committee for the National Futures Association. He has been with ADMIS since 2002.

ERIK NORLAND

Executive Director & Senior Economist, CME Group

Erik Norland is Executive Director and Senior Economist of CME Group. He is responsible for generating economic analysis on global financial markets by identifying emerging trends, evaluating economic factors and forecasting their impact on CME Group and the company's business strategy, and upon those who trade in its various markets. He is also one of CME Group's spokespeople on global economic, financial and geopolitical conditions.

Prior to joining CME Group, Eric gained more than 18 years of experience in the financial services industry working for investment banks and hedge funds both in the United States and in France. He most recently served in sales and research at BEAM Bayesian Efficient Asset Management LLC. He began his career at Bankers Trust, Global Investment Management in New York working with the tactical asset allocation group.

SHANE STILES

President, Gate 39 Media

Gate 39 Media is a digital marketing and technology firm specializing in serving the financial and agriculture industries. With over two decades of experience in this sector, Shane has created a full-service agency that helps clients optimize their operations and build their business.
